CLEVELAND COUNTY
CHAMBER

We are pleased to announce our new partnership with Lunar Cow Publishing, a firm specializing in destination marketing for the Cleveland County Chamber of Commerce Community Map. We are excited about the opportunities this new map will offer you.

The Cleveland County Chamber of Commerce Map is a primary fulfillment piece for chamber inquiries and the first resource that visitors, the community and business members will use when they are doing business or planning a trip to Cleveland County.

Participation in the Community Map has great advantages. 1,000 printed copies of the Map will be distributed in the best locations to help drive traffic to our advertisers, and our digital GoGuide® will allow you to reach thousands more online. Your advertisement in the digital GoGuide® will be linked to your website, giving readers one-click access to your business.

Please find the advertisement rates included, which detail your options for participation. If you have any questions or wish to participate as an advertiser on the Cleveland County Chamber of Commerce Community Map, please contact Lunar Cow Publishing's advertising sales, at 800.594.9620 (ext. 1) to learn more about how you can take advantage of this great opportunity to promote your business. We are very excited about the new Cleveland County Chamber of Commerce Community Map and look forward to your participation.

Sincerely,
Christine Cribb
